Natural Networking

Do you ever feel uncomfortable entering a room filled with people you don't know?

Presented by Debby Hoffman of Positive Results Seminars, this program focuses on creating business relationships through the art of networking where attitude is everything!

This workshop is fun, fast paced and filled with ideas on what networking is and what it is not. Debby will show how to start conversations and keep them interesting and profitable. Learn how to network with everyone you meet and build a sales force through leads and referrals with Debby's Tips for Networking Success.
